

T2

The game idea of Tazs will consist of a swimmer that's controlled by the player using the arrow keys.

T1 is the score, it is incremented when a player collects a ring.

T2 is the timer that decreases after each second.

T3 is only appeared on title screen and is a simple play button.

T4 is a play again button once the game was concluded also the score is displayed.

~~The rings are~~

The rings are collectable assets that increase your score.
